<b>Outreach</b>				
<b>Crib Distribution/ Sleep Safety Education</b>	Provide safe sleep education and distribute Pack-n-Plays	6	A few of the clients come in so sporadically. It takes longer to complete the classes. One client has only one class left and doesn't come in.	1
<b>Interpreter Services</b>	Provide Spanish translation and interpretation services as needed for incentive program and transportation	4	Although this service seems to be mainly for older women, we have had a few younger ones this quarter who are more comfortable speaking Spanish.	7
<b>Material Support</b>	Provide material assistance such as diapers, maternity and baby clothes to pregnant and parenting women	15	This continues to be a needed service, although it tends to slow down in the colder weather.	30
<b>Parenting Education</b>	Provide classes in preparing for parenting skills, nutrition, Abusive Head Trauma, Home Safety, etc.	6	With the weather warming up, we hope the current clients come in to complete their classes.	7
